Dear Shihans, Sensei's and members
2019-03-04

There are 4 months left to the start of the 7th WJKA World Championship. The host country needs the following info from the Affiliated Organizations to the WJKA who will attend the Championship.

How many in your touring party?

This we need for catering purposes. TSKSA will invite all the foreigners to a special South African **BRAAI** (Barbeque). There will be no cost involved.

Shuttle service will also operate between the venue and your accommodation. It's important that we know where you will stay for the duration of the World Championship. This will help the shuttle service to work out their fee and routes (**Special transport packages will also be available**). Public transport not very reliable in South Africa. You must also indicate if you need to be picked up at Port Elizabeth airport. Best way to travel is from your country to Johannesburg and then from Johannesburg to Port Elizabeth.

Can WJKA HQ and the hosting country, TSKSA have the information by **2019/03/31**.

Please email all information to WJKA HQ and to eenjvr@gmail.com Sensei Ian Janse van Rensburg

Thank you in advance.

Kind regards
